FY 2010 Juvenile Accountability Block Grant: Juvenile Justice Data Improvements
Program: The District of Columbia Justice Grants Administration announces funds to support improving the capacity of agencies and community based organization in or that serve youth involved in the District's juvenile justice system to collect, analyze, share and publically report data on core operations and program outputs and outcomes. Funds must be used to support technological, systems, or staffing improvements that allow organizations to sustainably improve their ability to track, measure and share data on their core operations and performance, and should result in information that helps the District to better understand the functioning of the juvenile justice system and increase the accountability of its participants.
Eligibility: Community-based organizations, District, or Federal agencies that have the demonstrated abilities to meet the funding priorities, outputs, outcomes, and required activities identified in the Request for Applications (RFA), and who are able to commit to complying with all JGA financial, administrative, and programmatic regulations and expectations.
Deadline: 5:00 p.m. on Friday**, May 8, 2009**.
Funds: $466,000 is available to fund up to four (4) awards.
